[Location Map](#)

### Meeting Agenda

- **Lunch (bring your own) and welcome.** George Strebel – Williamson County
- **Presentations**
  - **City of Cedar Park - *Simultaneous Response Identification Analysis*** – Cedar Park Fire Department wanted to know, in each time period and within a specific station's primary response area, how many times were more than one incident occurring. I developed a process to identify those incidents that temporally intersect other incidents within specified areas and if dataset to the FD for further analysis. – Johnathan Phillips, IS Applications Analyst City of Cedar Park
  - **City of Round Rock – *City of Round Rock Water Service Line and Meter Validation Project*** – City of Round Rock Utilities will present on a recent project they contracted with Austin Community College's ACC Inc. to correct water service lines and meters throughout the city. – Rich Reedy, GIS Manager Utilities and Environment Services City of Round Rock
- **WCGISC Updates**
  - GIS Day 2022 Follow Up/Update – Cindy Bridges – WilCo
- **Local Updates/Recaps**
  - **Williamson County -FY24 LiDAR/Contour Project**
- **Set the next meeting date and adjourn.**
